SHIPPING LEAD TIMES

Most of our furniture is stocked year-round as part of our Quick Ship program. Quick Ship items are designated in the catalog with color and quantity availability. Quick Ship lead time is 5 business days, though this may extend during our busy summer season. Non Quick Ship lead time is 4 to 6 weeks, though this may extend during our busy summer season.

Shipping date is confirmed upon receipt of order. Every attempt will be made to meet that shipping date. However, it is subject to change without prior notification.

Smith System reserves the right to discontinue products and change product specifications and prices.

DELIVERY

Shipments are sent prepaid with charges added to invoice. Product shipping weights are for product only. LTL shipments usually are on pallets. Pallet weights will be added to total weight for LTL shipments. Standard LTL shipments do not include inside delivery. Inside delivery is available. Inside delivery requests need to be on the order and appropriate freight charges will be added. Some products can ship UPS. For orders that ship UPS, inside delivery is included in freight charges.

FREIGHT

Do not refuse freight because of damage or shortage. All merchandise is packed to comply with carrier requirements. For your protection all shipments should be carefully inspected by the consignee before acceptance. The delivering carrier should be requested to record on the delivery receipt any damage to goods or cartons at time of delivery. Also any shortages should be noted on the delivery receipt. If further damage is found after delivery, immediate inspection by the delivering carrier must be requested. The delivering carrier must be notified at once of concealed damage. All cartons and merchandise must be held for inspection. Carrier liability ceases after 15 days.

Smith System will assist our customers at all times to obtain claim settlement, but the consignee must take the necessary steps to obtain the proof of loss and damages.

NOTE: Carriers are not responsible for damage or shortage after the delivery receipt is signed without a damage or shortage notification.

CHARGE BACKS

The tare weights and dimensions listed are estimated; therefore Smith System will not be responsible for freight costs associated with these variances.

RETURNS

Merchandise may not be returned without consent from Smith System customer service. Special order items may not be returned for credit. All return merchandise is subject to a 25% re-handling fee. No merchandise is accepted for return after 90 days from date of invoice.
