

FURNITURE FOR **INSPIRED** LEARNING FROM  **SMITHSYSTEM™**

UXL offers a diverse palette to work with. For added flexibility, different colors can be chosen for the seat and back in the same chair. Unlike choosing furniture from multiple sources, when you choose UXL, you don't have to worry about the colors in the chairs exactly matching the colors in the tables and desks.

UXL Chair Options

UXL Table Finishes

 There are infinite ways to customize UXL furniture. Explore them by calling **1 800 328 1061**.
