

Product Specifications

PLANNER TEACHER DESK (DOUBLE PED)

Model# 24010

The Double Ped Planner Teacher desk is our most robust and durable product yet. It's compact packaging, painless assembly, and durability and integrity are ideal features of a teacher suite product.

Material

Drawer Pedestals: The Planner Teacher Desk has suspended file drawer pedestal with all welded steel construction. Box and file have full extension steel ball bearing slides for complete access and quiet operation. Pedestal has single lock and full width flush pulls for easy use. File drawers have full height sides for hanging files.

Tabletop: Tabletop measures 30" x 60", 1-1/4" thick with high-pressure laminate surface and radius corners. 45-lb high density particle board core with backer sheet. Tough 3/8"-thick bumper edge molding with horizontal radius for comfort is stapled in place every 8".

Legs: Post Leg end pairs are fully welded. Each pair is constructed of 1" x 2" 14-gauge cross support tube welded to 1"-square 14-gauge corner legs. Leg ends attach to drawer pedestal housings for rigidity. 1" adjustable leveling glides provide stability on uneven floors. Steel components have tough powder coat finish.
